IUSLAKE ADVISES US HEDGE FUND IN CONNECTION WITH THE COMPLEX RESTRUCTURING OF THE ADLER GROUP

At the latest after the auditor KPMG refused Adler the attestation for its 2021 annual financial statements at the end of April 2022, the rescue efforts for the listed real estate company are coming to a head. In the meantime, various hedge funds have acquired extensive packages of debt capital. Currently, various interest groups are struggling to save the company in a very complex way.

luslake provided legal advice to a US hedge fund on the acquisition of its substantial debt interest and is currently advising the hedge fund as part of the ongoing very complex restructuring process.
