## IUSLAKE ADVISES INVESTOR ON POSSIBLE ENTRY AT INSOLVENT GEARBOX PRODUCER

Iuslake advises an investor in connection with a possible entry into Mitec, the manufacturer of gearbox components for the automotive industry.

Mitec faces a significant decline in orders. The unexpected defeat in a lawsuit has led the management to initiate self-administration insolvency proceedings at the end of 2018.

If you have any queries, please contact Dr. Andreas Hautkappe. For more information, please be referred to [www.iuslake.de](http://www.iuslake.de).
