IUSLAKE ADVISES TWO FAMILY OFFICES ON THE CORPORATE AND FINANCIAL RESTRUCTURING OF A FORMER JOINT VENTURE WITH DAIMLER

Iuslake advises two family offices in connection with the corporate and financial restructuring of a joint venture, which was founded together with Daimler at the beginning of 2000. With the failure of the joint venture, the business model has been characterized in recent years mainly by increasing intra-shareholder disputes as well as failed refinancing attempts with Sparkasse Hegau-Bodensee.

Iuslake advised clients on the unbundling of their corporate law relationships, which ultimately formed the basis for successful negotiations with Sparkasse Hegau-Bodensee on the refinancing of the company thus giving the company a promising perspective.
